## School at home

At Colegio de la Santísima Trinidad we kept on learning and preparing ourselves for the future from our homes.

Lord, thank you for a new day, please go before me and clear the way, thank you for protecting me, thank you for guiding me, thank you for loving me, in Jesus name, AMEN.

## Stay safe

## ONLINE EDUCATION

2020

Following the recommendations of Colombian government and Minister of Education, we decided to continue having our lessons via online.

Since the lockdown started, Colegio de la Santisima Trinidad took an action plan to keep on teaching and giving its students the best education they deserve.

With teachers trained to use different technological tools, we have been facing this pandemic situation that is making us all change the way we were used to do things.

**“We thank God because all of us are safe”**

### BE HEALTHY, KEEP FIT

Students have been taking their Physical Education lessons at home. It is important for all of us to stay healthy in this hard time in which our body's health may decrease because of a sedentary lifestyle. Exercise, drink a lot of water, have active pauses whenever you can and eat healthy!

At Colegio de la Santisima Trinidad we celebrate Virgen Mary's month. In May, the mother's month, we thank our common mother, Mary, mother of Jesus. Throughout the whole month we will be having a reflexion, done by students and their families, dedicated to Mother Mary.
