INDEPENDENCE DAY

Last July the 20th we commemorated this very special event for Colombians

Independence Day

Colegio de la Santísima Trinidad celebrated the Independence Day of Colombia last Friday the 17th of July. In the event, students from all grades gathered to sing our national anthem, firm, and with our hands on our hearts. Sequentially, the students who ranked first and second place raised our Colombian flag.

On this day, the teachers from the area of Philosophy, Natural Sciences, and Physical Education stood out. They were in charge of presenting to the students, reflections, and videos made by themselves about the independence of Colombia.

Finally, the community of La Santísima Trinidad prides itself on being Colombian and integrally trains its students to deliver them to society as its future.

“We thank God because our students are safe and healthy”

Prayer of Thanks for our Nation’s Independence
God our Father, your Son Jesus spoke to us a message of peace and taught us to live as brothers and sisters.

His message took form in the vision of our Founding Fathers, as they fashioned a nation where all people might live as one.
